The disbursements for 'Direct Mail Costs' and 'Fundraising Postage' and 'Telemarketing Expense' were ongoing Federal fundraising efforts of the Committee. No portion of these expenditures involved Public Communication, Voter Drive Activity, or Express Advocacy of a federal candidate. Regarding the Committee's Best Efforts: The Committee's original solicitations for contributions include a request for contributor information, including, but not limited to, their name, address, occupation, and employer, explaining in a clear and conspicuous manner that the Committee is required by law to both request this information and report the information that is provided. At the end of each month, the Committee mails a letter requesting the information for those individuals whose aggregate year to date contributions exceed \$200. This is in the form of a stand alone request that is accompanied by a self addressed envelope. Any information that is received as a result of the secondary request is provided with amended reports submitted to the Commission.
